COLLATERAL SECURITY DEPOSIT:

Twice the monthly rental.

CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

In accordance with the "Division of Land Management's Environmental Impact Statement Exemption List", approved by the Environmental Council and dated April 28, 1986, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, Item No. 2 that states "existing authorized use of State land that continues with no interruption or change in use."

DCCA VERIFICATION:

Not applicable as individuals are not required to register with the DCCA.

REMARKS:

At its meeting of January 22, 1999 under agenda item D-19, the Board authorized the issuance of Revocable Permit No. S-7174 to J. J. Andrade Slaughterhouse, Inc. for pasture purposes.

The cancellation and reissue of this revocable permit is a result of a name change of the individual operating the ranch. Jill Andrade was a principle in the slaughterhouse operation and now wishes to manage the pasture under her personal ranch operation.

The Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions. There have been no other applicants requesting use of these parcels. As this is a continuation of an existing use of the property, no agency or community comments were solicited.

Staff is recommending the Board cancel Revocable Permit No. S-7174 to J. J. Andrade Slaughterhouse, Inc. and issue a new permit to Jill J. Andrade dba R. J. Ranch.

RECOMMENDATION: That the Board:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the cancellation of Revocable Permit No. S-7174 to J. J. Andrade Slaughterhouse, Inc. and issue a new permit to Jill J. Andrade dba R. J. Ranch, covering the subject area for pasture purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
  - a. The standard terms and conditions of the most current revocable permit form, as may be amended from time to time;
  - b. Applicant shall re-apply as a cooperator with the Hamakua Soil and Water Conservation District within thirty (30) days from the effective date of this permit;
  - c. Applicant shall maintain stock proof fence around the entire property
  - d. Review and approval by the Department of the Attorney General; and
  - e. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Gordon C. Heit  
Land Agent
