To All Interested Parties:

Due to the State's budgetary constraints, commencing 12/01/09, the South gate accessing Kawaihae Harbor's coral flats will be closed from Saturday to Thursday. Beach access will be through the main gate, located between Akana Petroleum and Young Brothers. On Fridays the South gate will be open from 7:00 a.m. till 5:00 p.m. to avoid traffic congestion. Identification and valid vehicle registration will still be required for both gates.

Beach entrance hours will remain 6:00 a.m. till 6:00 p.m. from September to February during the winter months, and 6:00 a.m. to 8:00 p.m. from March to August in the summer months.

For any questions please call the Kawaihae Harbor office at 808-882-6211 or the Hilo Harbor office at 808-933-8850.

Sincerely,

Elton Sukanuma
Interim District Manager
