Pursuant to sections 92-4, 92-5(a)(8), and 6E-43.5, Hawaii Revised Statutes (HRS), and upon compliance with the procedures set forth in section 92-4, HRS, the council may go into a closed meeting to consider information that involves the location or description of a burial site. In addition, the request must be accompanied by all related documentation. Failure to comply with this procedure will delay the item to the following month's agenda.
