

BILLS PASSED

BY THE

HAWAII STATE LEGISLATURE

REGULAR SESSION OF 2010

SHOWING ACTIONS TAKEN AS OF

April 29, 2010

Prepared by the:

Legislative Reference Bureau Systems Office
State Capitol, Room 413
415 South Beretania Street
Honolulu, HI 96813

Caveat: While all data are believed accurate, they are subject to change pending confirmation against official records kept by the respective Chief Clerk's offices.

FOREWORD

This publication contains brief descriptions of all bills passed by the Hawaii State Legislature during the Regular Session of 2010. We have included such data as the bill number, title, introducer, description, committee reports, current status, and sections of the Hawaii Revised Statutes affected by the bill. This publication reflects data recorded up to and including April 29, 2010, which is the date that the Legislature adjourned sine die. For your information, under Article III, Section 16 of the Hawaii State Constitution, the Governor has 45 days after adjournment sine die (not counting Saturdays, Sundays, and holidays), to consider bills for approval.

The Legislative Reference Bureau discourages the use of these descriptions of bills as a substitute for the bills passed by the Legislature. These descriptions are meant to be handy reference tools, not substitutes for the text. Copies of bills may be obtained at the various locations mentioned in this report.

This publication has been created by the Legislative Reference Bureau - Systems Office. Information on the approval of bills, their effective dates, subjects of bills passed, laws affected by bills passed, or any questions covering the data shown may be directed to Dwight Kagawa or Lori Lee Ohta. They are located at the State Capitol, Room 413 and their phone number is (808) 587-0700.

Ken H. Takayama
Director
Legislative Reference Bureau

April 2010

- SB2165 SD1 HD2 CD1 (CCR 108-10) RELATING TO PRIVATE GUARDS.
Introduced by: Baker R, Espero W
Establishes provisions relating to guards; registration, instruction, training, testing, and continuing education require; renewal of registration. Effective July 1, 2013 requires all guards, agents, operatives, and assistants employed by a guard agency, private business entity, or government agency who act in a guard capacity to apply with the board of private detectives and guards and meet registration, instruction, and training requirements. Allows the board to adopt rules that mandate additional training, instruction, testing, and continuing education. Prior to the June 30, 2014, renewal of the guard registration and every registration renewal thereafter, requires the applicant to pay all required fees and have had at least 4 hours of continuing education. Further allows the board to conduct random audit of registrants applying for renewal of a registration to determine whether the continuing education requirements of this subsection have been met. Redefines guards to mean a registered uniformed or nonuniformed person and a guard shall not include any active duty federal, state, or county law enforcement officers or personnel. Amends provisions relating to by replacing guards with principal guards and guard agencies; qualifications for license. Requires a firm applying for a guard agency license to have in its employ an individual who is licensed and registered as a guard. Further requires that these employees to have had a high school education or its equivalent. Amends provisions relating to form of application for license to include or registration. Repeals provisions that exempts a person employed exclusively and regularly by 1 employer in connection with the affairs of such employer only and where there exists an employer employee relationship. Act to be repealed on July 1, 2016 (sunset). -- SB2165 CD1

SB2523 SD2 HD2 (HSCR 1144-10)

RELATING TO AGRICULTURAL INSPECTIONS.

Introduced by: Hee C

Establishes provisions relating to failure to pay or remit the inspection, quarantine, and eradication service fee; fines. Establishes fines which are to be deposited to the pest inspection, quarantine, and eradication fund. Adds that the fund may be used for training of inspectors, education of the agricultural industry, permit and certificate holders, to facilitate the processing and issuance of permits and microorganism import documents and for the operations, activities, and monitoring of permitted and certified plants, animals, and microorganisms. -- Amends provisions relating to inspection, quarantine, and eradication service fee and charge. Exempts liquid bulk freight, cement bulk freight, coal bulk freight, and aggregate bulk freight from the fee. Repeals the permit revolving fund and the microorganism import certification revolving fund. Requires the department of agriculture to adopt new or amend existing rules to impose or increase the fees authorized to be charged under the plant and non domestic animal quarantine law. Provides that if, by September 30, 2010, the department has not complied, then establishes fee for each inspection or certification effective October 1, 2010. -- SB2523 HD2

SB2589 SD2 HD1 CD1 (CCR 156-10) RELATING TO CHARTER SCHOOLS.

Introduced by: Sakamoto N

Establishes provisions relating to use of vacant public school facilities by charter schools. Requires the department of education to submit a notice of possible availability

SENATE BILLS THAT PASSED THE LEGISLATURE

of a public school and if a vacancy is established a notice of vacancy shall be submitted to the review panel. Requires the review panel to solicit application from interested charter schools and to submit a prioritized list to the department for final determination. Allows the department and the panel to enter into agreements to use the vacant school facility. -- Prohibits the sale of a vacant school facility or portion of a school facility before the facility is made available to charter schools. -- Amends provisions relating to charter school review panel. Requires the panel to compile and submit prioritized lists of charter schools to use vacant school facilities and to enter into agreements with the department of education to use the facilities; adopt an organizational and educational criteria, including student achievement as a significant factor, for the authorization and reauthorization of school charters; and to evaluate each school charter to determine reauthorization no later than 4 years following the initial issue of a charter and every 6 years thereafter and when concerns arise. -- Amends provisions relating to limits on charter schools by changing it to encouraging the growth of successful charter schools. Allows the review panel to authorize up to 3 new startup charter school for each existing startup charter schools that has received a 3 year or longer accreditation and 1 new startup charter school for each for each startup charter school whose charter is revoked or voluntarily closes. -- Amends provisions relating to charter school administrative office. Requires the office to withhold funds for its operational expenses including salaries of the executive director and staff from the annual charter school general fund appropriation. Requires the office to annually report to the review panel individual and aggregate expenditures of charter schools, distinguishing between operational and instructional purposes. Requires the office to develop a standardized method for charter schools to report the expenditures for operational expenses and instructional purposes and provides that if any charter school fails to report, the office may retain a portion of that charter school's per pupil allocation. Requires the office to calculate a general fund per pupil amount based upon the amount of general funds appropriated by the legislature and released by the governor and the projected enrollment amount used to calculate the general funds appropriated. Annual report to the legislature. Increases the percentage of charter school per pupil allocation given to the charter school by July 20 of each fiscal year. Creates the charter schools account as a separate account into which shall be deposited per pupil distributions. -- SB2589 CD1

- SB2697 SD1 HD1 CD1 (CCR 78-10) RELATING TO INSURANCE.
Introduced by: Hanabusa C (BR)
Establishes provisions relating to statement of actuarial option; property and casualty insurance; confidentiality. Provides that the statement of actuarial opinion shall be

SENATE BILLS THAT PASSED THE LEGISLATURE

provided with the annual statement in accordance with the property and casualty annual statement instruction as adopted by the national association of insurance commissioners and shall be treated as a public document. Amends provisions relating to the insurance code. Requires licensed agents, brokers, solicitors, adjusters, and bill reviewers to report to the insurance commissioner any civil or administrative action taken against them or any criminal prosecution against them. Adds that an insurer or licensee shall issue a written response within reasonable promptness to any written inquiry made by the commissioner regarding sales or marketing practice. Amends provisions relating to confidentiality of documents, materials or other information in possession or control of the commissioner. -- Repeals provisions requiring the managing agent to be bonded from licensing provisions but establishes bonding requirements for contracts between a managing agent and the insurer. -- Requires insurers to keep the bond and errors and omissions policy on file for review by any applicable commissioner. -- Provides that failure to satisfy, pay, or discharge a final, non appealable bail forfeiture judgment within 60 days following notice of entry of judgment is grounds for the commissioner to deny, place on probation, suspend, revoke, or refuse to issue or renew a bail agent's license and allow for a civil fine or penalty. -- Amends provisions relating to accident and health or sickness insurance to require changes to wording in policies to be certified by an officer of the insurer instead of the commissioner and for the officer and for the office to certify conformity with requirements of state statutes. -- Amends provisions relating to motor vehicle to require the commissioner to public notice of the availability of a list of insurers. Requires insurers to make available and submit a report of claims at the requests of the commissioner. -- Amends provisions relating to the interstate insurance product regulation compact by providing that the State has opted out of all uniform standards involving long term care insurance products. Repeals the governor authority to appoint with the advice and consent of the senate, the member of the interstate insurance product regulation commission. -- SB2697 CD1

SB2897 SD2 HD3 CD1 (CCR 88-10) RELATING TO HIGHWAY SAFETY.

Introduced by: Hanabusa C (BR)

Establishes the circumvention of, or tampering with, an ignition interlock device by a person who has been restricted to operating a vehicle equipped with an ignition interlock device; penalties. Prohibits a person whose driving privileges have been restricted to operate a vehicle equipped with an ignition interlock device to request, solicit, direct, or authorize another person to blow into an ignition interlock device or start a vehicle equipped with the device; or tamper with an ignition interlock device with intent to render it inaccurate or inoperable. Establishes penalties. -- Prohibits a person to blow into or start a vehicle equipped with an ignition interlock device; tamper with an ignition interlock device with intent to render it inaccurate or inoperable to permit another person restricted by law to operate the vehicle; or rent, lease, or lend a vehicle to a person who has been restricted by law to operate only vehicles equipped with an ignition interlock device, when the rented, leased, or loaned vehicle is not equipped with a functioning certified ignition interlock device. Establishes fines. -- Repeals the definition of highly intoxicated driver. -- Repeals the ignition interlock special fund; surcharge and establishes provisions relating to ignition interlock installation and maintenance; indigents. Requires the director to contract with the selected ignition interlock vendor to provide partial financial relief for the installation and maintenance cost for indigent

SENATE BILLS THAT PASSED THE LEGISLATURE

persons. -- Requires notification to the respondent that the respondent is to keep an ignition interlock device installed and operating in any vehicle the respondent operates during the revocation period if the respondent had a valid license at the time of arrest. -- Requires, if applicable, the date by which any outstanding motor vehicle number plates issued to the respondent must be surrendered to the director. Makes it a misdemeanor. -- Requires installation of ignition interlock device to be at the expense of the respondent. -- Requires the director to revoke electronically into the motor vehicle registration file of the respondent whenever a motor vehicle registration is revoked. Requires the director to not issue an ignition interlock permit to a respondent who does not hold a valid license at the time of arrest. -- Requires the person to present a certified statement to the appropriate county agency after a period of administrative revocation has expired. -- Requires a person committing the offense of operating a vehicle under the influence of an intoxicant be sentenced without possibility of probation or suspension of sentence. Establishes penalties. -- Requires the court to issue an ignition interlock permit when the defendant shows proof of an installation of an ignition interlock device in any vehicle the defendant operates and motor vehicle insurance or self insurance that complies with the requirements. Repeals requirement to provide proof of financial responsibility. -- Requires that the applicable period of revocation is to commence upon the release of the person from the period of imprisonment imposed. -- SB2897 CD1

SB2951 SD2 HD2 CD1 (CCR 133-10) RELATING TO AGRICULTURE.
Introduced by: Takamine D
Establishes provisions relating to withdrawal of leased land; fair compensation; lease extension. Provides that upon the withdrawal, or upon the taking of leased land that causes any portion of the land to become unusable for the specific use or uses for which it was intended, the rent shall be reduced in proportion to the value of the land withdrawn or made unusable, and if any permanent improvement constructed upon the land by the lessee is destroyed or made unusable in the process of the withdrawal or taking, the proportionate value thereof shall be paid to the lessee based on the unexpired term of the lease. Prohibits withdrawal or taking of land that is under cultivation until the crops are harvested, unless the board of land and natural resources pays the lessee the residual value of the crops. Further provides that any person with a long term lease shall be compensated for the present value of all permanent improvements. Entitles a lessee to compensation for costs attributable to the diminished use of the leased land. -- Requires the lessee to no longer be required to pay the property tax or cost of any insurance required by the board if the easement that is placed upon the land subsequent to the original lease prevents the lessee from using the land for the original intended use. -- Requires that leases for intensive agricultural and pasture uses to not be less than 15 years nor more than 35, and the lease term is not to be in excess of 75 years. -- SB2951 CD1

HB1015 HD1 SD2 CD1 (CCR 154-10)

RELATING TO OBLIGATIONS OF THE DEPARTMENT OF HAWAIIAN HOME LANDS TRUST FUND.

Introduced by: Say C (BR)

Amends provisions relating to exceptions; trust funds. Provides that obligations in excess of the amount standing to the credit of a department of Hawaiian home lands trust fund or moneys of the Hawaii housing finance and development corporation may be incurred when the director of finance determines that moneys to pay the obligations made in excess of the amount standing to the credit of the trust fund and the Hawaii

HOUSE BILLS THAT PASSED THE LEGISLATURE

housing finance and development corporation are expected to be received within a reasonable time period; and with the approval of the governor, such action is in the best interests of the State and will not impede or hamper the financial obligations of the State. Repealed on June 30, 2012 (sunset). -- Requires the department to report to legislature.

-- Amends provisions relating to the Hawaiian homes commission Act of 1920. Establishes provisions relating to commercial and multipurpose project leases; extension of term. Requires the department of Hawaiian home lands to consult with beneficiaries of the trust in the master planning of the available lands prior to the disposition of available land through a request for proposals for an initial lease for a commercial or multipurpose project. Allows the department of Hawaiian home lands to extend the term of a lease of public lands for commercial or multipurpose projects upon the approval by the department of a written agreement proposed by the lessee, or the lessee and developer. Requires that the extension of a lease be based upon the improvements made or to be made, and it will be no longer than 20 years, and to be granted only once. Requires the lessee, or the lessee and developer, to submit to the department the plans and specifications for the proposed development. Requires the department to review the plans, specifications and written agreement to determine whether the development is of sufficient value to justify the extension of the lease; the estimated time to complete the improvements and expected date of completion of the improvements; and the minimum revised annual rent based upon the fair market value of the lands to be developed, as determined by an appraiser for the department, and percentage rent where gross receipts exceed a specified amount. Requires the department to deposit 15 per cent of all revenues generated from lease agreements and land use instruments in the native Hawaiian rehabilitation fund.
