General Information

Section 237-29.5, Hawaii Revised Statutes (HRS), exempts from the general excise tax, the value or gross proceeds arising from the manufacture, production, or sale of tangible personal property shipped by the manufacturer, producer, or seller to a point outside the State where the property is resold or otherwise consumed or used outside the State. See Tax Information Release No. 98-5 for more information.

Section 237-29.53, HRS, exempts from the general excise tax, the value or gross proceeds arising from contracting or services by a contractor, service provider, or seller that is resold, or otherwise consumed or used outside the State. Contracting is considered to be consumed or used in the locale where the real property to which the contracting relates is situated. See Tax Information Release No. 2009-02 for more information.

Section 244D-4.3, HRS, exempts from the liquor tax, the value or gross proceeds arising from the manufacture, production, or sale of liquor shipped by the manufacturer, producer, or seller to a point outside the State where the liquor is resold or otherwise consumed or used outside the State.

Purpose of This Certificate

Form G-61, Export Exemption Certificate, must be completed in order for the manufacturer, producer, contractor, service provider, or seller (provider) to claim an exemption from general excise and/or liquor taxes under Sections 237-29.5, 237-29.53, or 244D-4.3, HRS. This form must be a part of each order or contract of sale between the provider and purchaser, consumer, or

user who are signatories to the certificate. Failure to provide the export exemption certificate (Form G-61) or an equivalent certification as required under Sections 237-29.5, 237-29.53, and 244D-4.3, HRS, will result in the disallowance of the exemption. In the event the Form G-61 is impracticable to complete, an alternative form or document may be used provided the information requested in Parts I, II, and III of the Form G-61 are maintained.

General Instructions

The provider who is claiming the export exemption under sections 237-29.5, 237-29.53, and/or 244D-4.3, HRS, must inform the purchaser, consumer, or user that the purchaser, consumer, or user is obtaining property/contracting/services/liquor for which the provider will claim a tax exemption.

The purchaser, consumer, or user is required to notify the provider if the property/contracting/services/liquor will not be resold, consumed, or used outside the State.

If the property/contracting/services/liquor purchased is not resold or otherwise consumed or used outside the State, the provider must remit to the Department the tax due on the property/contracting/services/liquor for which the export exemption was claimed. The purchaser, upon demand, shall be obligated to pay to the provider the amount of the additional tax imposed upon the provider.
